NOTES

- 1 All competitions will be played from the tee markers specified or as stated on the noticeboard.
- 2 Match play ties - in the event of a match being all square on the 18th, the match shall be continued until a hole is won. The same stroke allowances apply at extra holes.
Stroke play ties - if a tie, the score over the last 9-6-3 or the final hole will determine the winner. In 36 hole competitions the last 18-9-6 etc will determine the winner.
- 3 All major Club competitions are open to Junior, Full and Clergy members with a Competition Club handicap. Other categories may enter the monthly competitions.
- 4 All Club competitions must commence from the 1st tee unless otherwise prescribed by the Committee.
- 5 Qualifying medals for handicap are marked Q from the stated tees.
- 6 An intending competitor who fails to enter any competition before starting play will be disqualified.
- 7 An intending competitor who enters any competition but who is scratched or fails to play must still pay the competition entrance fee.
- 8 Both competitors of any draw are equally responsible for organising the date of the match. In the event of a tie not being decided by the due date, both competitors are liable to be scratched.
- 9 Qualifiers for the Final Medal (Cyril Banks Trophy) are those Full, Clergy and Junior members who have, during the previous year (1 May to 30 April), won one or more of the Saturday and Midweek Qualifying Medals/Stablefords.
