

Dear Claire,

I would like to thank you and all of your team for the outstanding service and beautiful presentation of both the Mackenzie room and the buffet for my mother's wake. I thought that the choice available for the menu was very good and vegetarians were well catered for. Many guests commented on the attractive layout of the buffet table and that the food never seemed to run out!!

The Mackenzie room made a perfect setting with its beautiful views over the course and felt private and comfortable. I will certainly recommend the club's services to others; the wake was exactly as I had wished for.

Many thanks,

R. James

We recently held a celebration for my parents' 65th wedding anniversary at Alwoodley Golf Club. Claire and her team were excellent and made my life very easy. Everything was organised efficiently from the smallest detail to the overall look of the room, which was lovely. Claire's attention to detail made the day a joy and we could enjoy it without worrying. I would highly recommend Claire and her team at Alwoodley Golf Club and would have another event here without hesitation.
